

FIND ALL IN ONE SPACE

To register in the **ONE@BMW GROUP** app please notice the following prerequisites:

- ① The ONE@BMW GROUP app works on your **personal smartphone** with an **up-to-date operating system**.
- ① The ONE@BMW GROUP app is available in the **App Store** (iOS), and **Play Store** (Android).
- ① You need your personal **Q-number**, your **central password**, and strong authentication — such as YubiKey, Mobile Push, or PIN.
- ① For the first registration, you need to access the **AEP portal** on the **BMW intranet** from a computer or kiosk terminal and have **your smartphone** ready.

Disclaimer

Use of this app is voluntary and is solely for your convenience. You can always access your pay information via HR4ME on a BMW issued device or BMW kiosk or through the EY Portal on a personal or BMW issued device.

2 REGISTRATION

- ① Visit the AEP portal at <https://strong.bmwgroup.net/> select **your country** on the map.
- ② First enter your personal Q-number, then either log in with **central password** or (if already registered) with **PIN + Mobile Push** or **YubiKey**.

- ③ Click on **"Register PIN"**.

- ④ Create a **4-digit** PIN and repeat. A message "Your PIN has been successfully added" appears.

- ⑤ Click on **"Register"** again to your start smartphone registration.

- ⑥ A **QR-Code** is displayed.

- ⑦ Open **OT Advanced Authentication (NetIQ)** app on your smartphone.

- ⑧ **Enter** the OT PIN number created in step 1.

- ⑨ Click on the **"+" sign** in the OT app.

- ⑩ Allow **camera access** and **scan the QR-Code** displayed on the AEP portal.

- ⑪ A message **"Your smartphone has been registered"** appears.

1 INSTALLATION

- ① Download the **ONE@BMWGROUP** app using the QR code, and the **OT Advanced Authentication (NetIQ)** app.
- ② Open the OT app and choose a **4- to 6-digit PIN** (OT-PIN) and allow for **Face-ID/Touch-ID**.
